

PRODUCT INFORMATION

PRODUCT: LIQUIK LIQUID STEAM CLEANER.

PART NO.: LPH5

FUNCTION AND APPLICATION: Use with steam cleaning and pressure washing machines to clean vehicles, machinery, floors, walls, etc.

OUTSTANDING PROPERTIES: A light yellow soapy liquid heavy duty steam cleaner and pressure washing compound with an alkaline base.

USE DIRECTIONS: For most applications a 40 to 1 dilution ratio in water should be used. Concentration is adjusted to suit proportioning characteristics of individual steam cleaning or pressure washer machine and to amount and type of soil to be removed.

PRODUCT LIMITATIONS: Avoid using at concentrations approaching full strength. Heavy duty LIQUIK is not suitable for use on painted surfaces where the cleaning chemical must remain in contact for a relatively long period of time or on aluminum.

PRECAUTIONS: In its undiluted form, this product is highly alkaline and may cause severe skin and eye irritation or damage. Harmful or fatal if swallowed. Vapor harmful. In case of eye contact, flush with water for at least 15 minutes, while lifting the eyelids. Consult physician immediately. For skin contact, wash with soap and water. If swallowed, drink water followed by citrus juice. Do not induce vomiting. Seek medical attention immediately. If inhalation occurs, move to fresh air immediately. If breathing is difficult, administer oxygen; if breathing has stopped, apply artificial respiration. Keep warm and summon medical assistance.

STORAGE & HANDLING: Store in a cool place below 50°C away from acids, ignition sources and oxidizing agents. Do not mix with other chemical products. Keep away from children and animals.

DISPOSAL: Safeguard our environment. Dispose of container, residue, and excess product in accordance with all federal, provincial and local laws and regulations.

PACKAGING: LPH5 - 18.92L metal pail.

U.P.C. CODE: LPH5 - 0-60959-12085-3

WEIGHT PER CASE: LPH5 - 55 lbs. 25 kg

CASE SIZE: LPH5 - 12 x 12 x 13
