

PRODUCT INFORMATION

PRODUCT: **PLUMBER'S SILICONE GREASE**

PART NO.: **GR2V**

FUNCTION AND APPLICATION: Multi-purpose silicone lubricant for use in plumbing applications. Ideal for lubricating faucets stems valves and cartridges, water softeners, plug valves, sanitary valves, gate valves, ball valves, butterfly valves, automated valves and rubber and plastic O-rings. Plumber's Silicone Grease can be used as a sealant for vacuum and pressure systems.

OUTSTANDING PROPERTIES: Plumber's Silicone Grease offers good, thermal oxidation and chemical stability. Stands up well against exposure to extreme weather conditions, and has a service temperature range of -40°C to 204°C. A stiff, grease-like paste that provides a long-lasting moisture barrier with very good water washout resistance. Contains no petroleum based components and can be used on rubber and plastic parts. Complies with the National Sanitation Foundation standard that regulates use of products on piping systems and other components where potable water is present. Meets the requirements of the Food and Drug Administration (FDA) for incidental food contact.

USE DIRECTIONS: Apply a small amount to area of friction contact.

PRODUCT LIMITATIONS: Should not be applied to surface that will be painted or finished and O-rings or other components made of silicone. Will slightly swell natural butyl rubbers. All rubber should be tested for excessive swell or shrinkage before use. Do not use with oxidizing chemicals.

PRECAUTIONS: In case of eye contact, flush eye with water for at least 15 minutes. If adverse symptoms persist, consult a physician immediately. Skin contact causes no known adverse effects. Ingestion of large amounts may cause digestive discomfort.

STORAGE & HANDLING: Do not handle or store near heat sparks, flame or strong oxidizing agents. Keep containers closed when not in use. Keep away from children and animals.

DISPOSAL: Safeguard our environment. Dispose of container, residue, and excess product in accordance with all federal, provincial and local laws and regulations.

PACKAGING: 14g

U.P.C.CODE: 0-60959-02885-2

WEIGHT PER CASE: 1lb. .45 kg

CASE SIZE: 6 x 5 x 5
